

# 2024 UCI HoLEP Masterclass

Laser Enucleation of the Prostate

January 18–20, 2024

## Day 1

### Thursday, January 18, 2024

1-Hour Hands-On HoLEP Independently

3:00PM – 8:00PM

Participants will be provided materials to review prior to the masterclass. Participants will have one-hour to perform a HoLEP on hydrogel simulation models independently. Recording of procedure will be captured of each participant.

## Day 2

### Friday, January 19, 2024

7:00AM – 1:00PM

Expert Led Didactic Session

7:00AM – 7:30AM

**Lasermania, The Use of Laser Energy in BPH**

Lori Lerner, MD | *Harvard Medical School*

7:35AM – 8:05AM

**The Evolution to Holmium Laser Enucleation of the Prostate (HoLEP)**

Peter Gilling, MD, FACS | *University of Auckland, New Zealand*

8:10AM – 8:40AM

**Equipment and Current Techniques for HoLEP**

Akhil Das, MD, FACS | *UCI School of Medicine*

8:45AM – 9:15AM

**Advantages, Disadvantages, and Learning Curve Associated with Traditional Enucleation Techniques Versus Newer En-bloc Techniques**

Nicole Miller, MD, FACS | *Vanderbilt University*

9:20AM – 9:50AM

**Tips and Tricks in HoLEP That I Have Learned Through the Years**

James Lingeman, MD, FACS | *Indiana University School of Medicine*

9:55AM – 10:25AM

**HoLEP- Gold Standard for the Surgical Management of BPH?**

Mitchell Humphreys, MD, FACS | *Mayo Clinic*

10:25AM – 10:45AM

Break

10:50AM – 11:20AM

**Incorporating HoLEP at Your Hospital and the Perioperative Management of HoLEP**

Joel Funk, MD, FACS | *University of Arizona*

11:25AM – 11:55AM

**Other Endoscopic Prostate Enucleation Techniques including ThuLEP and Bipolar LEP**

Smita De, MD | *Cleveland Clinic*

12:00PM – 12:30PM

**Utilizing an Experiential Learning Approach to Master Endoscopic Prostate Enucleation via Simulation**

Ahmed Ghazi, MD, MSc | *Johns Hopkins School of Medicine*

12:30PM – 1:00PM

Lunch with Case Presentations and Q&A

1:00PM – 6:00PM

1-Hour Hands-On HoLEP with One-to-One Expert Proctoring

1:30PM – 6:00PM

Participants will have one-hour to perform a HoLEP on hydrogel simulation models with one-to-one expert proctoring. Recording of procedure will be captured of each participant.

Participants that are not in the lab stations will be engaged in observing semi-live surgical procedures with a HoLEP expert to address their questions.

## Day 3

### Saturday, January 20, 2024

1-Hour Hands-On HoLEP After Expert Proctoring

6:00AM – 11:00AM

Participants will have one-hour to perform a HoLEP on hydrogel simulation models independently. Recording of procedure will be captured

11:00AM

Meeting Adjourned
